2012 President's Message - David C. Casto, SRA

The West Virginia Chapter of the Appraisal Institute is the only professional appraisal organization in West Virginia. Our designated members are the leaders in the state dedicated to enhance education, professionalism, and growth in the field of real estate appraisal.

Our mission in the West Virginia Chapter is to provide a platform whereby real estate appraisers, consultants, and local business leaders can network through programs and education.

Some of the goals of the chapter for 2012-2013 are:

1. Provide more education to both our members and new candidates.
2. To provide a pathway and more assistance to those candidates who desire to obtain a designation as an SRA or MAI.
3. To increase our membership as a local professional appraisal chapter.

4. For the Associate Member Guidance Committee to work closer to the Associates and to ask what

the chapter can do to help them to move forward toward their designation goals.

Whitney Darby, incoming president for 2013, and I attended the Region V meeting in Lexington, Kentucky on April 20, 2012.

Whitney will be attending the Regional meeting in San Diego, California on July 31 to August 2, 2012. This will be a Joint Region, Annual Meeting for AI, and the Chapter Leadership Workshop. There are also three days of CE classes that will follow the Region V meeting.

Whitney will report the highlights of the Regional meeting at the next chapter meeting which will be held sometime in September 2012.
